## From the Supervisor

Sadly, we had to cancel our Youth Nights Program planned to start February 27th. We were very excited about the program as it was newly designed to have an educational session for an hour followed by a recreational session for an hour. Two weeks before our program was to start, we lost our coordinator due to a family illness. Billy Morgan, our Youth Committee Chair, and I tried to pull it together but due to a death in my family and other problems beyond our control, we decided to cancel the program until next Fall. We had many calls from parents interested in this program but few actually signed up. Please call the Township and put your name on our list to be called when this program is reinstated. 708-534-6020.

**APRIL 4, 2023** is the consolidated election for Municipalities, School Boards and other local taxing bodies like the Library and Park Boards. Polling places are listed in this newsletter. Remember to vote!

**APRIL 11, 2023 AT 7:30 p.m.:** ANNUAL TOWN MEETING – Per State Statute, all Townships in Illinois must hold an Annual Town Meeting on the 2nd Tuesday in April. This is a meeting that allows electors (Monee Township residents) to come in, meet the elected officials, and have an annual financial accounting of how your tax dollars were spent from April 1, 2022 through March 31, 2023. See inside this newsletter for the list of powers given to electors at this meeting. The meeting is held at the Township building, 26121 Egyptian Trail, Monee at 7:30 pm. You must arrive prior to 7:30 p.m. to check in so you may vote. Anyone arriving after 7:30 will not be allowed to vote.

**APRIL 20, 2023 BUDGET HEARING:** On Thursday, April 20th on our regular Township Board Meeting night,

we will hold a budget hearing from 7:00 pm – 7:15 pm on the proposed budgets for the fiscal year April 1, 2023 – March 31, 2024. The budgets will be adopted at the end of the hearing. Our regular Township meeting will follow the budget hearing. You may review the tentative budgets if you come into the Township and request to see it.

**SENIOR EVENT:** Our Senior Committee has scheduled the next Senior Drive-up Luncheon for Tuesday April 25. This is a free event for Monee Township Seniors 65 and over. You MUST call to register and to pick your sandwich type. Last day to register is April 19th.

**TOWNSHIP HOURS:** Per Federal and the State of Illinois, as of May 11, 2023, the Covid-19 Public Health Emergency is ended. The Township went on Covid hours in April 2020 and now will be changing to a new schedule to better serve the Township. New hours will begin May 15, 2023: M – F 8:30 – 4:00. (Note: If the Governor changes the end date, we will also push back new hours to his revised date).

Just a note on Food Distribution days. Our last distribution was on February 23rd. All bags of food were given out in 45 minutes on first come, first served basis. All the early birds got their bags. We have been allowing Township residents to pick up food bags for shut-in neighbors, but to do this, the person picking up for them must have the shut-in's ID showing that they are a Township resident. The food is free, but everyone has to have an ID showing they live in Monee Township.

We have been fortunate so far this year to have a mild Winter. I am grateful that there was not much snow shoveling to do! Thank you to all who expressed sympathy on the loss of my husband. Have a safe Spring!

*Donna Dettbarn, Monee Township Supervisor*

## MONEE TOWNSHIP HIGHWAY COMMISSIONER'S REPORT

Winter is on the way out and hopefully warmer temperatures will soon be here. The highway department has spent the winter months plowing and salting roads during the bad weather. Patching of roads has been done, weather permitting and as always picking up garbage that has been dumped along the roads.

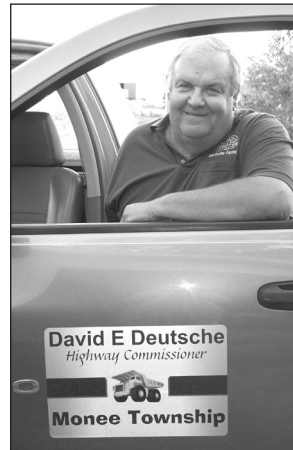

The township has taken delivery of a 2023 International, single axle snowplow truck. The truck is equipped with a 16,000-pound front axle, a salt spreader, 12-ft. stainless steel dump body and new 12-ft. snowplow.

As the weather warms up the department will be out mowing roadsides. Please slow down when encountering the mowers. Our crews will also be out doing more road repairs, so again please slow down and drive carefully. I realize that no one wants to be delayed because of road construction or mowing but the few minutes it takes to slow down may make the difference of not causing injury to our workers and perhaps to yourself.

I think we're all looking forward to the end of winter and experiencing warm spring temperatures. Stay safe and alert while driving!!

*Respectfully submitted,  
David E. Deutsche*

*Monee Township Highway Commissioner*

Sandra Heard, MBA, Monee Township Assessor, CAIO,

**Spring is Here! Doors are Open!**  
Our office staff and I welcome the residents of Monee Township to contact our office at 46 Town Center Dr. University Park, IL 60484, by phone at 708-534-6023 or email at [moneeassessor@gmail.com](mailto:moneeassessor@gmail.com) (is preferred) for questions or for general information check out our website [www.monee-assessor.com](http://www.monee-assessor.com) or Facebook page. **Office** hours are Tuesday & Thursday from 9am-4pm (**Lunch hour is from 12:30-1:30pm**) and Wednesday 9am-1pm. Our office is closed on Mondays & Fridays.

As announced in the February newsletter, our office has resumed most of the Pre-Pandemic policies. Currently, you may make appointments for office visits that require some research in preparation for your visit, but for most situations, you will be able to walk in and get assistance without having an appointment. **Email is still the preferred method of contact, as this is the best way to reach the Assessor directly.** In addition to email, we will continue responding to voicemails, and set appointments to assist you.

If an appointment becomes necessary, then you will be notified of a future meeting by phone or in person.

These meetings will generally be scheduled for 20 minutes during our regular office hours. Please call or email to schedule an available time for an office visit meeting. **Wearing face masks is not required** but is optional for anyone who has safety concerns or if they have cold symptoms. We still have stations established with sneeze guards in 3 locations for the assistance inside our office. There will be a limit of 3-5 people inside the office simultaneously except for workshops or exemption events.

**Workshops and Exemption Events**  
**Q: Did you know that exemptions saves \$\$ on tax bills?**

**A:** The Monee Township Assessor's Office assists with the completion of a variety of exemptions that are offered to **decrease** your tax bill! One Exemption is shown here:

### Disabled Veterans' Homestead Exemption

This exemption allows a veteran with a service-connected disability (SCD) of at least 30% that was issued by the U.S. Department of Veterans Affairs to receive an exemption that reduces their assessment. **Exemption amounts below:**

- **If the veteran has experienced a SCD ranging from 30%-49% will receive an exemption of 2,500**
- **If the veteran has experienced a SCD that ranges from 50%-69% will receive an exemption of 5,000.**
- **If the veteran has experienced a SCD of 70% or greater, a 100% exemption from taxes is granted.**

The General Homestead Exemption is determined at the time of sale, based on the indication on the Sales document (PTAX) as the buyer's primary residence. No other action to be taken.

**Additional Exemptions that decrease taxes include:**  
- **Senior Exemption** (must be 65 years or older)  
- **Senior Freeze** (based on a household income of \$65k or less)  
- **Disabled Persons' Exemption** (SSI or Doctor's state-

ment)  
- **Home Improvement Exemption** (additions or up-grades)  
**Check your tax bill for exemptions to see if you have all that is due to you.** If you are not sure which exemption you should have on your property or what your current exemptions are, then call us during office hours and someone will be able to assist you in obtaining this information. **Do you know anyone 65 years or older? Have them contact us ASAP to verify that they have their senior exemptions.**

To understand your tax bill and exemptions come to any workshop and/or Senior event scheduled in April and May.

**When to expect 2023 Re-assessment notices?**  
Most taxpayers will receive a reassessment notice in August indicating median increases to assessments of approximately 13 %. These increases are a result of a factor that is determined by the Will County Supervisor (SOA) and the State of Illinois Dept of Revenue for this entire township based on the median sales amounts for the past 3 years. When there is a large **gap** between the indicated value of a property, based on the assessment, and what that same property recently sold for, then it causes a factor to be applied in order to lessen that **gap**. Thus for 2023, a higher factor is expected. You will receive a notice in 2023 because this is a general assessment year (sometimes called a 'quad' year in Will County). I will be willing to discuss these increases with the Monee Township taxpayers before getting these notices but I will not be able to confirm the factor until just before those notices are mailed or posted in select newspapers in the area.

**Q: How will Commercial and Industrial property assessment increases be applied in 2023?**  
**A:** Most people are aware of the increased sales amounts over the past 3 years for residential properties. Some of these increases were directly due to the existing seller's market and bidding wars between buyers to win a purchase contract! Many are first-time homebuyers! Since that trend

has continued throughout 2022 it is also expected in 2023. There has been an increase in the **new construction of industrial** and commercial properties in many townships. A study is being proposed among some of the Will County Assessor Association members to determine the best approach to be taken for multiple townships. These factors may vary from those applied to residential properties based on business use, type, age, and size. But for the first time in 15+ years, in this township, a factor will be applied to commercial and Industrial properties to equalize the entire township.

**Q: What are the activities that affect your tax bill?**  
**A:** 1. Each year your assessment will be adjusted by the Will County **Supervisor of Assessment (SOA's)** factor. Assessment increases do affect your tax bill. Often when assessments go up, then the rate tends to go down, and as a result, people with the Senior freeze exemptions may actually see savings.  
2. Then your **taxing bodies, like school boards, villages,** township, county and others will request a levy amount to fulfill their budget needs for the year, and that also affects your bill. The **levies** are generally limited to the **consumer price index (CPI)** amount, by county clerk, this year is greater than 5% vs a lower amounts in past years.  
3. When **appeal** decisions are made by the Board of Review to lower the assessment for an appellant, this affects all taxpayers that did not receive a reduction since the assessment base is lowered because of granting reductions.  
4. Finally, having exemptions applied to your bill will result in savings in your taxes.
